

The Bologna Seminar in Budapest: Key Outcomes

Budapest, Hungary (20-21 January 2011) – 104 leaders from 18 countries gathered at the Bologna Seminar hosted by the Budapest Business School, with the support from the Hungarian Ministry for National Resources (MNR). The event centered upon the question, “Embedding Professional Short-Cycle Higher Education in the (Higher) Education System”. The event drew leaders from 90 organizations from across Europe, US and Canada who are actively engaged in the Bologna Process issues.
