Caribbean opening to Erasmus Mundus

*“Promote and improve
by sharing knowledge”*

The CaribErasmus project aims to **foster cooperation** among **European** and **Caribbean** higher education institutions in a **structured** and **sustainable** perspective.

CaribErasmus aims at facilitating and supporting mutual knowledge and information sharing between Caribbean and European universities through:

- A **survey** on the opinions and expectations of Caribbean students and researchers towards European higher education
- Three **workshops** in the Caribbean to promote mobility and collaboration opportunities
- A **website** promoting opportunities to study in Europe for Caribbean students
- A **seminar** in Brussels and a **White Paper** aiming at advancing the policy debate on how to foster EU-Caribbean cooperation in the long term

ERASMUS MUNDUS

Is a cooperation and mobility programme in the field of higher education that aims to enhance the quality of European higher education and to promote dialogue and understanding between people and cultures through cooperation with Third-Countries.
