

SHORT HIGHER EDUCATION IN DENMARK

A presentation by Jytte Mansfeld,
Head of International Relations at
Niels Brock Copenhagen Business
College

HIGHER EDUCATION INSTITUTIONS IN DENMARK

- 3 different types of institutions
- Universities
- University colleges/colleges
- Academies of Professional Higher Education

SHORT HIGHER EDUCATION IN DENMARK

- 16 specialized Academies of Professional Higher Education
- 15 different Academy Profession (AP) degree programmes
- approx. 18,000 students, corresponding to approx. 9% of students in HE
- state-recognized and state-subsidized, no tuition fees for European students

SHORT HIGHER EDUCATION IN DENMARK

- ☞ adult education, subsidized, but with minor fees
- ☞ an integrated part of the Danish Qualifications Framework
- ☞ ECTS, Diploma Supplement and Quality Assurance, incl. self-evaluation is mandatory
- ☞ eligible for Erasmus, Leonardo, and other European programmes

New developments being planned

- ☞ mergers
- ☞ 6-8 centres /university colleges
- ☞ new professional Bachelor degrees
- ☞ the rest vocational institutions, with obligatory work placement in the AP degrees

New models for professional bachelor degrees

- 3 ½ year programmes
- 6 months' obligatory work placement
- some with the possibility of students leaving after two years with an AP degree

TRANSFER POSSIBILITIES RIGHT NOW

- Examples of transfer programmes
- a 2-year AP degree in Marketing from Niels Brock followed by:
- a one-year top up programme at one of Niels Brock's many partner universities abroad to obtain a Bachelor's degree.
- payment: as decided by the host university
- student grants from the Danish state
