

Evaluation summary

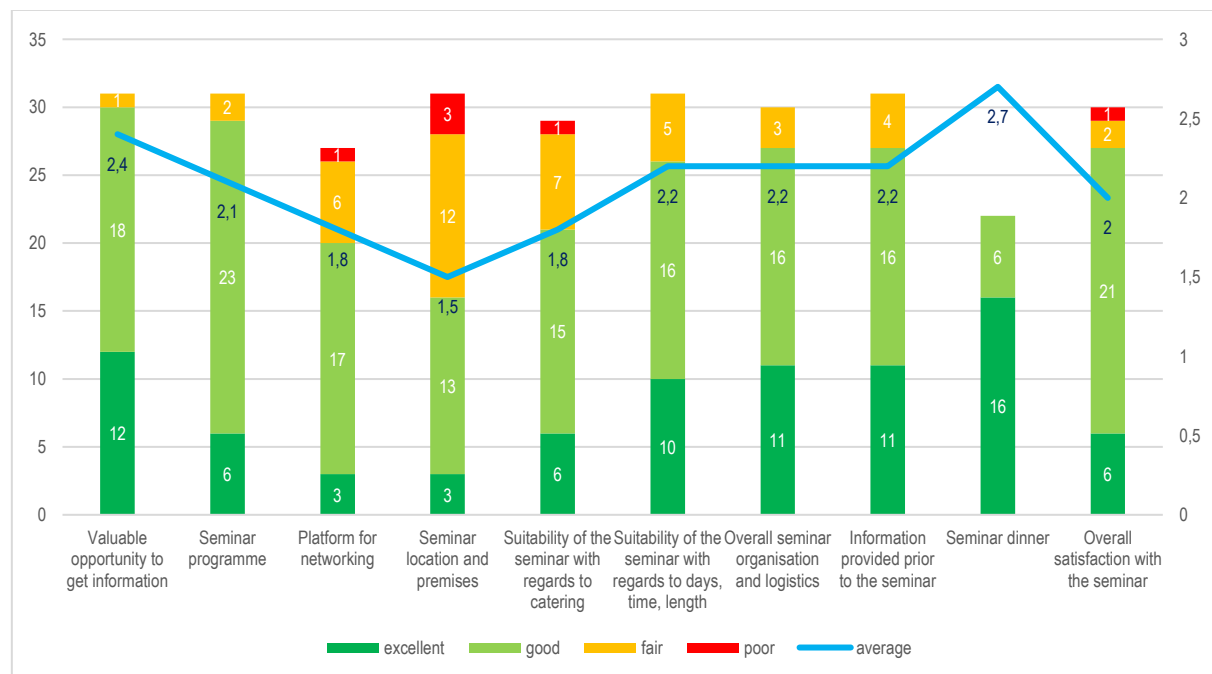

Participants in the seminar 'Managing your institution's quality with the latest practices and policies' were provided with an evaluation form in their seminar package. A link to an online evaluation form was provided 24 hours after the seminar in a 'thank you & material' message to all participants.

99 participants took part in the seminar. One week after the seminar, 31 evaluations were received, representing a response rate of 31,3%. 64,5% of respondents represent higher education institutions (including universities, universities of applied sciences and university colleges).

The content of the seminar was in general positively evaluated. The plenary on day 1, including the welcome and the keynote speech are graded 2,4/3, the breakout sessions overall are graded 1,8/3, and the final plenary on day 2 with the summary and the debate are graded 2/3.

Participants were asked to mention the sessions they liked the best. The top three speakers mentioned were Lucien Bollaert (keynote and breakout session), Fabienne Vanderost (breakout session in French), and Everard van Kemenade (breakout session).

Participants were asked to evaluate their general experience of the seminar. Positive to neutral evaluations were given to the various aspects. The overall seminar was graded with 2/3.

93,5% of respondents would come back to another EURASHE event or recommend one to their colleagues.

Respondents made two general comments/suggestions for improvements:

- Consider the size of the location/rooms for the size of the seminar,
- Provide more specific/obvious opportunities for networking and exchange between participants.
