

# A European classification of higher education institutions

U-Map

Frans Kaiser  
CHEPS, University of Twente.

U-Map

U-Map

## A short outline

- Dimensions and indicators
- U-map on-line
  - Profile finder
  - Profile viewer
  - Data collection

U-Map

## U-Map dimensions

1. Educational profile
2. Student profile
3. Research involvement
4. Knowledge exchange
5. International orientation
6. Regional engagement

U-Map

## Educational profile

1. Degree level focus
2. Subject areas covered
3. Program orientation focus

U-Map

## Student profile

1. Adult learners
2. Part-time students
3. Students in distance learning
4. Total enrolment (size)

U-Map

## Research involvement

1. Doctorate production
2. Peer reviewed publications
3. Time on research
4. Expenditure on research

U-Map

## Knowledge exchange

1. Start-up firms
2. Patent applications
3. Concerts, performances and exhibitions
4. Income from knowledge exchange

## International orientation

1. Incoming exchange students
2. Exchange students sent out
3. Foreign degree students
4. Non-national academic staff
5. Importance of international sources of income
6. Research income from international research programs

U-Map

## Regional engagement

1. Graduates working in the region
2. New entrants from the region
3. Importance of regional income

U-Map

## Data sources

1. Questionnaire
2. National data sources/ pre-filling
