European elections
23 - 26 May 2019

This time it’s not enough to just hope for a better future; this time we all need to take responsibility for it. So this time we’re not just asking you to vote, we’re also asking you to help to persuade others to vote too. Because when everybody votes, everybody wins.

Yes, this time I’m voting

I'm VOTING

The first gift we receive on the age of majority is the right to vote. Young people are the future of Europe! We do not just participate in elections — we choose our own future! Only together can we change the course of history.

Take a step into a new life!
