

WELCOME!

As the voice of Applied Higher Education Institutions (HEIs) in Europe, EURASHE provides a range of services and benefits to its members, allowing them to play an active role in the European Higher Education and Research Areas, raising their profile, and boosting their development.

EURASHE has three membership categories:

Full Membership

Individual HEIs and their associations within the EHEA

Criteria: HEIs who wish to be full members should have external quality assurance. Associations should be a legal entity and represent a number of HEIs, or be a 'de facto' association (e.g. subgroup of a rectors' conference).

Affiliate Membership

Recognised individual HEIs and associations outside the EHEA, as well as those that do not meet the criteria for full membership; International associations of HEIs

Criteria: HEIs and their associations should be recognised by a national authority in the country where they legally operate.

Associate Membership

Any legal entity that is not an HEI but supports the mission and aims of the Association.

APPLICATION PROCEDURE

To become a member of EURASHE, please complete and sign the application form (pp. 4-5 of this document), as well as the affidavit (page 6). The following documents must also be submitted:

For individual HEIs:

- Proof of registration/accreditation;
- Proof of external Quality Assurance (compulsory for full members, optional for affiliate members);
- Descriptive information (e.g. annual report, list of study programmes).

For associations of HEIs and other organisations:

- Proof of legal existence (e.g. registration document);
- Descriptive information (e.g. annual report, list of members).

Send the application and all supporting documents to eurashe@eurashe.eu, referencing 'EURASHE Membership application' as the email subject.

Your application will be examined and accepted by the Board if it meets the membership criteria. Acceptance is subject to the payment of membership fees (pro-rata for during the first calendar year, based on the month of joining).

MEMBERSHIP FEES

1. Membership fees are due every year. They give access to EURASHE services and are required for full members to exercise their voting rights.
2. The fees for full and affiliate members are calculated through a coefficient based on the [GDP per capita](#) of a members' country.
3. Full membership includes one ticket to the EURASHE Annual Conference.
4. Associate Members pay a flat fee which differs for the private and public/non for profit sectors.
5. In the first year, membership fees are prorated from the date of joining.
6. A proposal to update fees is made to the General Assembly each year, which always follow changes to the Belgian health index (inflation).
